MEMORANDUM

DATE: September 14, 2022

TO: Board of Directors

FROM: Bryan Ransdell, Fire Chief

SUBJECT: Final Budget (FY 2022-2023)

Enclosed is the proposed 2022/23 Final Budget for Rescue Fire Protection District. State law requires all Special Districts to adopt a preliminary budget prior to June 30th each year, with the final budget adoption by September 30th. Below is a summary of the proposed budget by category, as well as any significant changes from prior year.

REVENUE

- **Property Tax:** There is currently a budgeted increase of approximately 9.6% in property tax revenues from prior year. This assumption is based on estimates provided by the El Dorado County Auditor-Controller's Office for secured (net of the County administrative fee), unsecured, and homeowner's exemption tax revenue categories. The budgeted estimates are based on historical trends for supplemental tax revenue and penalties.
- **Special Tax:** There is a slight decrease in the budgeted Special Tax Revenue. This category is budgeted based on prior year actual collections.
- **Benefit Assessment:** Benefit Assessment Revenue has a budgeted increase of 2% from prior year actual collections, which is based on Board approved resolution 2022-03.
- **Grant Revenue:** The District budgeted \$22,727 in grant revenue for an anticipated ARPA grant.
- Revenue Other Government: There is no revenue budgeted in this category in fiscal year 2022-23. The amount budgeted in prior year represented the 10% cost share for a multi-agency EKG monitor grant.
- Miscellaneous Revenues: This category includes strike team and mutual aid reimbursements, workers' compensation reimbursements, department credit card program rewards, and other miscellaneous revenues. The District budgeted \$20,000 in this category, a decrease from prior year due to an anticipated decrease in workers' compensation reimbursements.

RESERVE FUND EXPENDITURES

• <u>Development Fee Reserve Fund</u>: The District plans to utilize \$300,000 in Development Impact Fee Reserves to go toward the budgeted construction costs of the Station 83 remodel. This is a placeholder to start the project, as the full remodel is expected to span over multiple fiscal years.

1

WAGES AND BENEFITS

- Regular Full-time Employees (Acct. 3000): There is a budgeted increase of \$52,782, or 11% in this category. There are six (6) total full-time positions budgeted, including three (3) Captain/Paramedics, two (2) Engineer/Paramedics, and one (1) Firefighter/EMT. The remaining budgeted increase in this category reflects projected step increases, two (2) 3% COLA's effective 7/1/21 and 7/1/22, the reclassification of a Firefighter/Paramedic position to an Engineer/Paramedic, and the reclassification of Longevity and Holiday Pay from the Other Compensation category to this category.
- Extra Help (Acct. 3001): There is an increase of \$111,226 in this category due to the addition of a part-time Fire Chief as well as a part-time Administrative Assistant. These increases are partially offset by the reclassification of intern stipends to the Other Compensation category.
- Overtime (Acct. 3002): There is a budgeted increase of \$55,330, or 39% in Overtime compensation. This increase is based on current actual trends in OT hours worked, which is mostly due to a position vacancy.
- Other Compensation (Acct. 3004): There is a decrease of \$34,843, or 70%, in this category from prior year budget, which reflects the reclassification of Longevity and Holiday Pay from this category to the Regular Wages category.
- **PERS Retirement (Acct. 3020)**: PERS Retirement costs increased by approximately \$26,562, or 10% from prior year. This reflects an increase in the required Unfunded Liability payment, the addition of a part-time Administrative Assistant, and a budgeted increase in pensionable earnings.
- <u>Health Insurance (Acct. 3040)</u>: Health Insurance costs are projected to increase by \$18,168, or 9% from prior year based on the assumption that new employees will opt into health insurance coverage.

SERVICES AND SUPPLIES

- Clothing (Acct. 4020): Budgeted costs for Clothing/PPE decreased by \$5,568, or 23%, due to the removal of one-time purchases in the prior year budget.
- Insurance (Acct. 4100): Insurance costs are budgeted to increase by \$10,000, or 56%, due to a chance in carrier in November 2022 and a projected increase in premium rates.
- <u>Vehicle Maintenance (Acct. 4162)</u>: Decreased costs by \$5,000, or 9% from prior year due to the removal of the water tender tank refurbishment that was in the prior year budget, partially offset by the addition of tires and rims.
- Maintenance of Structures (Acct. 4180): Increased by \$24,000 from prior year budget due to the addition of planned paint, HVAC, and generator projects at Station 83.
- Office Expense (Acct. 4260): Increased from prior year by \$6,000 due to the addition IT Equipment.
- <u>Professional Services (Acct. 4300)</u>: Decreased from prior year by \$86,874, or 58% due to the removal of the cost of the Shared Services Agreement with El Dorado Hills Fire Department, partially offset by the addition of a Nexus Study update and IT Services.
- <u>Software License (Acct. 4539)</u>: Increased by \$7,242 from prior year budget due to the addition of a timekeeping system, Timeclock Plus, as well as Tablet Command.

CAPITAL ASSETS

- <u>Structures & Improvements (Acct. 6020)</u>: The District budgeted \$300,000 in this category to reflect estimated costs to begin construction of the planned Station 83 remodel.
- **Equipment (Acct. 6040)**: The District budgeted \$3,000 for a hose tester as well as \$10,000 for a new copy machine.

APPROPRIATION (GANN) LIMIT

Article XIII B of the California Constitution requires State and local governments to establish an appropriation, or "Gann" limit each fiscal year. This limit is the ceiling above which tax dollar spending cannot exceed for the fiscal year. Base year revenues are increased annually by a factor that combines the government entity's population growth rate and the increase in the California per capita personal income. Special Districts may choose to use the population growth rate of the District or the County population growth rate.

For fiscal year 2022-23, the District calculated the appropriation limit by combining the California per capital personal income increase of 7.55% (provided by the California Department of Finance) with the decrease in population of El Dorado County's unincorporated areas of -0.19% (provided by El Dorado County). The calculated ratio by combining these two factors is 1.0735 (1.0755 x 0.9981). Applying that ratio to the 2021-22 limit of \$1,439,385.17 results in a calculated 2022-23 appropriation limit of \$1,545,179.98. Budgeted appropriations for fiscal year 2022-23 are below this limit.

UPCOMING CHALLENGES

The District faces several challenges that may significantly impact its financial position, including:

- Transition from the Shared Services Agreement with El Dorado Hills Fire Department.
- Recruitment and retention of key administrative employees.
- Affordability of Fire Chief and Administrative Assistant positions.
- How to address the District's inability to save for required future capital replacements.
- The completion of a full Station Remodel/Upgrade.
- How to attract and retain qualified Firefighter/Paramedic candidates in a competitive job market.
- Inflationary impact on the cost of goods and services that may potentially exceed future growth in revenue.

RESOLUTION #2022-08

RESOLUTION OF THE BOARD OF DIRECTORS OF THE RESCUE FIRE PROTECTION DISTRICT ADOPTING A FINAL BUDGET FOR FISCAL YEAR 2022-2023

WHEREAS, the Rescue Fire Protection District ("District") is governed by the provisions of the Fire Protection District Law of 1987 (Health & Safety Code section 13800et seq., the "Act"); and,

WHEREAS, section 13895 of the Act provides that the District Board shall adopt a final budget on or before October 1st of each year; and,

WHEREAS, a final budget has been prepared for the fiscal year;

BOARD MEMBER – M. Koht

BOARD MEMBER – C.J. Smith

NOW, THEREFORE BE IT RESOLVED that the District Board, consistent with section 13895 of the Act adopts the final budget in the amount of \$2,100,527.

Passed and Adopted by the Board of Directors of the Rescue Fire Protection District at a regular meeting of said Board, held on September 14, 2022 by the following:

RESOLUTION #2022-09

RESOLUTION OF THE BOARD OF DIRECTORS OF THE RESCUE FIRE PROTECTION DISTRICT AUTHORIZING A REVOLVING PETTY CASH FUND AND NAMING AS THE CUSTODIAN OF SAID FUND

WHEREAS, the Rescue Fire Protection District operations require several small purchases to be made within the local area; and,

WHEREAS, paying small bills through the regular governmental system is time consuming and costly; and,

WHEREAS, paying of such bills within a petty cash account will result in savings to the fire district;

NOW, THEREFORE BE IT RESOLVED, by the Board of Directors of the Rescue Fire Protection District, that:

A revolving petty cash fund not to exceed \$500.00 is established and that Bryan Ransdell be designated and so named the custodian of that account.

Passed and adopted by the Board of Directors of the Rescue Fire Protection District at a regular meeting of said Board, held on September 14, 2022 by the following:
